ABOUT ME

I am a creative, adaptable and flexible fresher who shows great versatility when it comes to learning new skills. It is my intention to contribute to the growth of the company. Every field of endeavor requires the application of creativity. As a member of a team, I have demonstrated my ability to work in collaboration during my last project in operations.

EXPERIENCE

FRONTEND DEVELOPER INTERN

Kindlife | Dec 2022 - Present

- Bringing concepts to life using HTML, JavaScript, and CSS is what we do. The development and maintenance of the user interface will be carried out by the developer. Designing mobile websites and implementing them on a mobile platform. Improve browser-independent site interaction.
- Developing products and solutions to different problems faced by users and infrastructure in close collaboration with lead developers is an important part of this work.

VGA CO-LEAD + CORE TEAM MEMBER:

Google developer student clubs 2022 - July 2023

Co-lead of the video, graphics and animation team at GDSC Kalindi, which is an organization of students that organizes tech events that are useful for the tech community in the area. My role is to manage all the tasks related to video, graphics, and animation as well as supervise the members of my team who were responsible for the execution of these tasks.

GRAPHICS DESIGNING MANAGER + INERN

AASHMAN FOUNDATION | April 2022 - Oct 2022

I have managed a group of interns in this role, which has required me to give them daily tasks and to give feedback based on how they are doing, as well as manage records pertaining to the work. There are several tools that can be used for this purpose including Microsoft excel, Canva, and Photoshop.

WEB DEVELOPER INTERN

DU ASSASINS | Dec 2021 - June 2022

A basic understanding of HTML, CSS, and JavaScript is required for web development and design. Assist with coding under the direction of a professional computer programmer, test existing code, format graphics for web use, or communicate with clients about the project.
